The game is simply unfolded into its playing shape. Verify there are two golf balls, two putter and 12 hole covers. The game can be played with 2 or 4 people in teams of 1 or 2 with teams members on the same

PLAYING THE GAME

Decide which team goes first with a shootoff. Whoever makes it first or keep shooting until someone misses. Teams take turns hitting either 1 or 2 balls at the other teams' holes. Each sank hole is covered by the green circle and when a team sinks all six holes they win, except the other team will shoot until they miss which is called a "rebuttle". If the opposing team sinks all their rebuttle shots, there is a 3 shot playoff with the non-rebuttle team going first. The same rules apply for the playoff.
